I/We hereby acknowledge that the **items** listed herein are for promotional purposes in this **exclusive, invitation-only program** and are **NOT related to the separate purchase order of the water treatment**. They are directly related to marketing purposes and are incentives for new customers to purchase on the initial advertising visit. Included incentives are part of a **unique special promotion** that is **not available to the general public** or under traditional retail purchases made via the seller of the water treatment. As such, **I/We agree not to publicly disclose these offers** and acknowledge that doing so could cause significant harm to the business interests of PureSafe A.W.S., the seller of the water treatment, and/or any other participating vendors.

In general, these **incentives will be ordered 7 to 14 business days after successful installation and/or funding** of the water treatment purchase. Then, the suppliers usually take a couple days to process orders and ship via standard ground shipping. I/We acknowledge that it does **typically take an average 2 to 4 weeks** (but could be a little longer) before I/We receive all of these complimentary gifts. Once delivered, all questions, concerns, or **customer service issues related to any of your promotional gifts should be directed either to the supplying vendor/manufacture (under their warranty)**.

REGARDING THESE COMPLIMENTARY PROMOTIONAL OFFERINGS, WHERE APPLICABLE:

These are complimentary gifts that will only be honored and delivered in conjunction with the successful purchase, installation, and corresponding funding of a water treatment system. Should you cancel that order or default on the funding provisions, this agreement shall be null and voided and you agree to return any gifts received or compensate PureSafe AWS for the fair value.

Once the items listed on the front of this agreement have been delivered, all customer service, replacement requests, repair requests, and/or support related to any/all of these offerings falls squarely on the manufacturer or service provider from which PureSafe Air, Water, & Surfaces purchased these items on your behalf.

SPECIAL FINANCING: You have applied for credit with a third-party lender or group of third-party lenders and the final terms of the loan are subject to credit approval. Your lender may require mandatory auto draft or set other conditions for final approval. PureSafe AWS warrants that we will submit your application along with the request for these specific financing options according to the guidelines we were given. Terms are not binding until you have been presented with and accepted those terms and the associated documentation from the lender.

PURE & GENTLE SOAPS® PROGRAM: After the initial shipment, it is your responsibility to keep track of your vouchers and/or authorization number and it is your responsibility to order future shipments when you are ready. The program was designed (by the fulfiller) to provide a family of 4 with 5 years worth of the primary soaps and cleaning products they need around the home.

GOHEALTHY360® SOAPS & 5 YR. MEMBERSHIP– After activation & funding of your LSP account, it is your responsibility to retain your account documentation and to order your products as needed, according to the program instructions provided to you.

BOTH SOAP PROGRAMS- The actual value of the soaps and the actual amount of time that these soaps will fill your needs will vary based on your individual circumstances. The 2 best ways to ensure that you get the maximum value out of this program are: use the soaps in conjunction with conditioned water and follow the instructions provide diligently, paying special attention to the quantity of soap needed for a given use as most people are conditioned to use way too much.

AMERICANA SHOPPER III® and/or GROCERY COUPON PROGRAM: In order to realize the savings promised, there is some effort as well as some small inconveniences involved. Upon receipt of your membership package, please read through ALL terms and conditions thoroughly, especially the fine print on the 25% grocery savings guarantee. Your savings will vary based on your shopping and spending habits combined with your diligence in both understanding and properly utilizing this program.

8 DAY / 7-NIGHT RESORT ACCOMMODATIONS VOUCHER: This is NOT a “FREE” vacation. This is a PROMOTIONAL offer to receive deluxe accommodations for up to 4 people for 7 nights in a timeshare resort with NO timeshare sales pitch required. Transportation is not included. Meals, Entertainment, Rental Cars, etc. are not included. This is NOT a retail travel situation. You are NOT guaranteed accommodations based on standard availability. This offer is fulfilled based on occupancy level percentages using timeshare inventories. The good news is that you will generally be staying in nicer resorts or hotels with better amenities, usually 4 or 5 stars. The more in advance you request fulfillment combined with the more flexible you are either on the date of your travel and/or the location, the more likely you are to have a satisfactory experience. If you wait until the week before spring break or a major holiday and demand accommodations in a highly desirable locale, prepare to be disappointed. However, if you are able to make plans weeks to months in advance and not try to stay during a busy major holiday, you should have no problem getting a killer room at a killer resort and having a great time. There is a \$100, fully refundable booking fee that is returned AFTER you take your trip. This fee is paid upfront prior to having access to reservations. Upon making a reservation, there is a non-refundable \$240 booking fee. You are also responsible for local resort fees and local taxes upon arrival. In general, you should expect to spend between \$300 to \$400 upon redemption. Please see voucher for all details and fine print.

COOKWARE REFERRAL PROGRAM: In order to receive these referral gifts, you MUST provide the referral directly to PureSafe AWS corporate. IF a demo or sale is made as a result of referrals given to any other entity or third party, then it does NOT count toward this program. All referral gifts will be delivered 2 to 4 weeks AFTER completion of demos or successful install.

A “Qualified Demo” is defined as a sales opportunity where PureSafe AWS visits the home of someone you referred and performs the full sales presentation for ALL decision makers in the household and where all aforementioned decision makers participate fully and materially for the entirety of the presentation...a minimum of one hour. An “Installed Sale” is defined as one where PureSafe has been funded, the money has been deposited, and it has cleared the bank without likelihood of reversal.

Additionally, to be qualified, your referrals must: 1) be homeowners, not renters. 2) not currently be in bankruptcy or foreclosure. 3) be 25 years of age or older. 4) not be full-time students. If one is employed and supporting a spouse or partner that is a full time student, that is NOT a qualified demo. 5) be gainfully employed or retired with an annual household income of at least \$52,000. (NOTE: If a NON qualified referral does successfully purchase, that DOES COUNT as an Installed Sale!)

In exchange for providing us with either Qualified Demos or Installed Sales, PureSafe AWS will compensate you as follows:

3 Qualified Demos OR 1 Installed Sale of A Whole House System, Choice of:

NutriStahl 22 pc. Full Set OR 2 Super Premiums OR 1 Super Premium plus 2 Standard Premiums from our catalog.

Or, Wait to Accrue 5 Qualified Demos OR 2 Installed Sales of A Whole House System and Receive:

Professional Platinum 21 pc. Full Set or 2 Super Premiums from our catalog.

If you prefer **cash**, we will simply pay you **\$500.00 per installed sale of a Whole House System** via check within 2 to 4 weeks, assuming we have been funded within that period. Note: Cash referral fees will NOT paid on any referred demos that do not result in an installed sale.

NOTE: SALES/INSTALLS OF ONLY DRINKING WATER SYSTEMS DO NOT QUALIFY FOR REFERRAL COMPENSATION.
